Letter From Our President

Dear Friends,

On behalf of the Board of Directors, I would like to thank the community for your continued commitment to encourage creative learning. With your generous support, we were able to fund over \$60,000 in grants brought to us by the educators of RSU21. Thank you to the teachers for their innovative grant applications.

On a personal note, I'd like to thank all the volunteers who give their time and expertise to the EFKA. We could not achieve our goals without you. Thank you!

Most importantly, our community helped us to celebrate the 90th birthday of the EFKA's Founder, Ted Damon last summer. I am grateful that so many wished Ted well on his milestone birthday, and I thank those who gave in honor of Ted. We were deeply saddened when Ted died on May 25, 2020. Please know that his legacy will live on with the positive impacts the EFKA will continue to have on staff and students of RSU21. His drive to engage students in creative, meaningful endeavors will not be forgotten. As we move forward, the EFKA will honor Ted's wish that all children feel they are creative by awarding grants with that goal in mind.

As an organization, the EFKA continues to advance even in this time of Covid-19. Virtual communication is even more essential now, so please consider following us on Facebook and/or Instagram where we provide updates on the grants we are supporting in the schools of RSU21.

Take good care,

James Read

2020 Teacher Appreciation
 We celebrated our teachers virtually this year.
