

September 2016

Dear Parents and Caregivers,

Because of our community's generous support of the Education Foundation of the Kennebunks and Arundel (EFKA), we have been able to provide almost \$850,000 in grants to the children and teachers of RSU21 since our inception in 2006. We hope you will consider supporting us this year.

We have printed our fall update on the reverse of this letter. We are pleased to share with you a snapshot of how EFKA's support is inspiring our students and teachers with creative and innovative educational programming and professional development.

From 5:30-8:00 p.m. on October 12, volunteers may be calling you from Corning Inc., to ask for your support during our annual Call-a-thon. If you would like to make a donation, please mail your check payable to "EFKA" by October 2 in the envelope provided, and we won't phone you. You can also visit our website, www.educationfoundationka.org, and click the "Donate Now" button to use your credit card.

Only with your support can we continue to fund creative learning opportunities in RSU 21. Thank you.

Sincerely,

Ted Damon
